

The Christmas Fox

Anik McGrory

1. Print this page on heavyweight paper or cardstock.
2. Cut out all three shapes.
3. Fold on all dashed lines.
4. Place craft glue on blue tabs a through j.

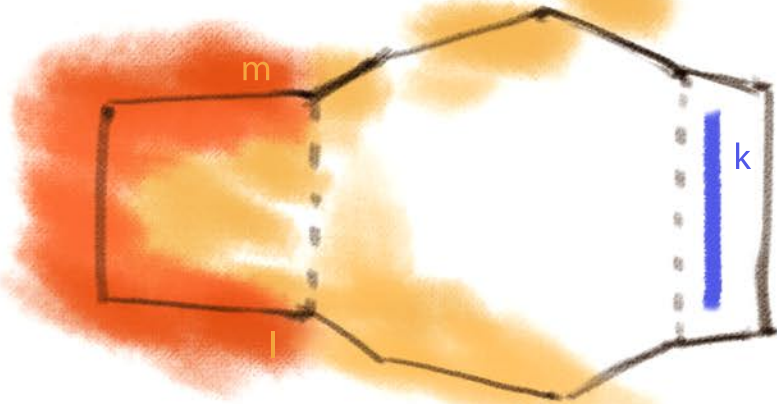

fox body

back

5. Attach fox body to back in alphabetical order, with blue tabs glueing underneath matching yellow locations. Fold tail up.
From above, fox will look like this:

6. Place glue on tabs k, l, and m.
Attach tummy to fox body by glueing tab k behind tail base area, and glueing tabs l and m behind chest. Tab m will be tricky! Try using a toothpick to press it to its location from inside.

tummy

7. You're done!
